

Romans 15:13

¹³ May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

CHRISTIAN ACTION FOR RECONCILIATION AND SOCIAL ASSISTANCE (CARSA)

is a faith-based non-governmental organization based in Kigali, Rwanda. Their work is focused on transforming communities from trauma to lasting peace. Rooted in Christian values, CARSA believes that true development begins with healing the human heart. In post-conflict areas, they go beyond rebuilding infrastructure to restore trust, dignity, and relationships, the true foundations of sustainable growth.

Their holistic approach integrates psychological healing, faith-based reconciliation, and community-driven development, helping individuals forgive, reconcile, and build new futures together. While others focus on aid, CARSA focuses on transformation, equipping people to sustain peace and prosperity long after projects end. Through our work, reconciliation becomes real, and communities once divided become places of hope, resilience, and renewed purpose.

Christophe Mbonyingabo is the founder and Executive Director of CARSA and is a practitioner in restorative justice, forgiveness, reconciliation and peace. He has been involved leading different peacebuilding initiatives in the great lakes region of Africa and he enjoys sharing stories of hope and God's transformative power and healing.

Diane Kantarama serves as Community Empowerment Coordinator and leads the Empower Workshops, which focus on emotional healing, resilience, and forgiveness. Originally designed for unreconciled genocide survivor-perpetrator pairs, the workshops have evolved over the past 30 years to support anyone seeking freedom from generational trauma or poverty linked to the aftermath of the 1994 genocide. Christophe and Diane live in Kigali, Rwanda, and are blessed with five children.

Prayer Request

"One prayer request we would greatly appreciate your church keeping before the Lord: after more than two decades of renting office space for CARSA, we have finally been able to purchase an office property. The building we acquired was originally a residential house, and we are currently working on renovating and adapting it to better serve as an office and ministry space. We are praying specifically for an additional \$10,000 to help complete the needed modifications, and we would deeply appreciate your prayers that God would faithfully provide for this important need."
